Translators: Looking at possible new series(if you have something you'd like to work on in mind already let's talk about it) or potentially help with some of our older ones

Editors: We need people who have a solid background in image editing We need both cleaners and typesetter. Or if you like to do both that's fine too!

Quality Checkers: We need people who have a good eye. You'll be asked to look for graphical mistakes as well as grammatical ones and list them for the editor to fix before release.
